

# GIGA X3c Professional

## PROFESSIONAL

### Moving into the top class with permanent water connection

The new GIGA X3c Professional offers everything needed by staff in a large office or staff room. It delivers up to 43 individually programmable speciality coffees at the touch of a button, including the en-vogue flat white. As well as offering simple operation, it takes minimum effort to refill thanks to the large bean container with a holding capacity of 1 kg and aroma preservation cover. Other features include a drip drain set and optional coffee grounds disposal function set. Integrated rinsing and cleaning operations started at the touch of a button minimise the amount of work needed to maintain the machine on a daily basis. If you need a coffee machine that works efficiently and continuously throughout the day, we recommend this compact solution with direct permanent water connection.

### Benefits

- Professional ceramic disc grinder
- Variable dual spout with 2 coffee spouts and 2 milk spouts
- Customisable start screen
- With optional coffee grounds and drip drain set

## Technical overview

### JURA standards
